

# Attention Point-of-Care Nursing & Allied Health Staff

Do you have a **question** from your clinical practice?  
Do you want to **learn more** about the research process?  
The Vancouver Coastal Health Research Challenge is for you!

## Announcing the Vancouver Coastal Health Research Challenge!

The VCH Research Challenge will:

- Provide information, mentorship and funding for you
- Help you to learn about research and conduct your own clinical practice project
- Answer a question you have about your own clinical practice
- The Research Challenge is designed to support point-of-care staff who do not have research experience; therefore eligible teams must include at least one member who is a point-of-care practitioner (DC-1 level for nursing; Grade 1 or 2 for allied health)

For more information, visit the following intranet sites:

[http://www.vcha.ca/programs\\_services/professional\\_practice/research/page\\_10682.htm](http://www.vcha.ca/programs_services/professional_practice/research/page_10682.htm)
