Contraception Use and Access in Canada: Impacts of Universal Coverage and Misinformation

In this talk, we will 1) describe trends in contraception use in BC and across Canada over time, 2) differences in trends and method-mix by age group, 3) effects of universal coverage for contraception on use and method-mix, and 4) the role of misinformation on contraception use.

Presenter

Laura Schummers

Assistant Professor of Health Outcomes, Collaboration for Outcomes Research and Evaluation, Faculty of Pharmaceutical Sciences

C2E2 Spotlight is held monthly on Mondays from 12:00 pm to 1:00 pm. To attend in-person or virtually please contact pamela.lee@ubc.ca.
