Program funded by the Vancouver Coastal Health Research Institute, Innovation & Translational Research Award (2016) and the Richmond Hospital Foundation.

Seating is limited **RSVP at www.vchri.ca/rhpade-registration by November 18**

When

November 27, 2019

6:00pm - 9:00pm

Dinner at 6:30pm with cash bar

Where

Quilchena Golf Club
3551 Granville Avenue
Richmond

Join us for an evening with Richmond Hospital ED nurses and RTs, as well as, hospital and community pharmacists to learn more about the **RH Preventable Adverse Drug Event (RHpADE) Program**. We will discuss:

- > Program aims and resources developed - to decrease ED visits and hospital admissions
- > How we will share with the patient's physician and community pharmacy, actions taken in hospital to prevent pADE recurrence

Featured Speakers

Drs Richard Chan (Emergency Physician), Cheryl Nagle (Family Doctor), Karen Dahri PharmD, Jane de Lemos PharmD
