

2019 Excellence in Patient-Oriented Research Investigator Award

PI Last Name: _____

Project Title: _____

Lay Summary

Provide a lay summary of your VCHRI Investigator award project. The summary should offer a description for why the research is being done, what you are trying to achieve, how you are conducting or intend to conduct the research, and what you are hoping to achieve over the next year. The summary should include a statement for how engagement of patients as partners in your research will contribute to the uptake of your research and improvements in patient care or services within VCH. The summary should be free of jargon, technical or undefined scientific terms and be presented in a manner that can be easily understood by someone with no prior knowledge of the subject [max.1000 characters].

Note: If your proposal is funded, this abstract may appear on the VCH Research Institute and/or BC SUPPORT Unit websites.
