

Team Grant Award 2024 Patient Engagement Module

For this form, you can either type directly into the text fields or cut and paste from another file. All text will display in Arial 10 format, and no other formatting (e.g. bold) is possible. You can use the tab key to move from line to line. The character maximums (if listed) include spaces but not paragraph breaks.

1. Lay Summary

Provide a lay summary that offers a description for why the research is being done, what you are trying to achieve, how you intend to conduct the research, and what you expect to find. The summary should include a statement for how engagement of patients as partners in your research will contribute to the uptake of your research and improvements in patient care or services within VCH. The summary should be free of jargon, technical or undefined scientific terms, and be presented in a manner that can be easily understood by someone with no prior knowledge of the subject [1000 character limit].

PI Name: _____

Project Title: _____

2. Patient Engagement Objectives

Provide a brief summary of your objective(s) for doing patient engagement and describe how your research project will benefit from patient engagement [1000 character limit].

PI Name: _____

Project Title: _____

3. Patient Engagement Plan

Provide a concise overview of your patient engagement plan for your project. Refer to the award instructions for more details on completing this section [1500 character limit].
