

20 Years of Research Excellence

Let's Celebrate

2023

Tuesday May 9

2023 marks the 20th anniversary of the Vancouver Coastal Health Research Institute (VCHRI). Since our inception, VCHRI has played a pivotal role in leveraging the impact of research on public health and patient care.

Paetzold Auditorium at VGH
899 West 12th Avenue, Vancouver

Join us on May 9 as we celebrate two decades of groundbreaking research discoveries that have transformed health care delivery in British Columbia and beyond.

Research Milestones

Reflect on the health enhancements and medical discoveries made possible by VCHRI researchers

Strategic Plan

Learn about our goals as we continue to shape the future of VCHRI

Innovation and Industry Showcase

Explore the latest health care technology trends and digital innovations

Research Presentations

Celebrate the direct impact of health research on quality of care and patient outcomes

Fun + Free Things to Do

- Step into the photo booth for professional head shots
- Interact with booths and win prizes
- Network with colleagues and make new connections
- Enjoy free-flowing food and beverages
