

## Research Role Comparison Table

There are five different research levels based on a researcher's role and position needs. Each level determines the access required when logging into CST Cerner. For details on the different levels of access, please refer to the [CST Cerner at VCH page](#).

Use the chart below to determine your research level:

Description/Roles	RL1	RL2	RL3	RL3+	RN
Access to PowerChart	x (Read Only)	x	x	x	x
Patient Search Box		x	x	x	x
View Scheduling Appointment Book		x	x	x	x
Registration and Scheduling ("do")				x	
Add "On Research Study" Process Alert		x	x	x	x
Document Scanning		x	x	x	
Write to Chart (Document)			x	x	x
Sample Collection for Research Study			x	x	x
Research Scheduling Orders			x	x	
Message Centre			x	x	x
Tracking Shell		x	x	x	x
Lab Order Activation			x	x	x
