

Celebrate Research Public Lecture 2019

A Closer Look at Cancer Research

Join us for an informative evening talk to learn about cutting-edge research on prostate, colorectal and childhood cancers.

**Tuesday, March 5
6:00 to 7:30pm**

Chan Centre, BC Children's Hospital
938 West 28th Ave, Vancouver

Registration is free but space is limited! Register at:

<https://bcchr.ca/celebrate-research>

Light refreshments provided.
Doors open at 5:15 pm.

Are you a grade 10-12 student interested in attending [Mini Med School](#)?

Students that attend the Celebrate Research Lecture will be automatically entered into a draw for a guaranteed VIP seat at [Mini Med School 2019](#) this Fall. Presented by Dean [Dr. Rod Rassekh](#), we will explore the cutting-edge approaches and novel technologies currently used to diagnose and treat cancer.
