

Vancouver Coastal Health Research Challenge 2021

Attention **point-of-care nursing and allied health staff** —

Do you have questions from your clinical practice?

Do you want to learn more about research and conduct your own clinical practice project? This is the opportunity to reach your full potential!

www.vchri.ca/researchchallenge

LOI deadline: February 8, 2021

Successful teams will receive up to \$5,000 in research award funding!

The Research Challenge invites VCH staff members to consider a practice area that might be improved and create a research project to discover how best to improve it. No research experience necessary.
